Brief description of filing. (If filing follows rates of an advisory organization, specify organization): IMT Insurance Company is filing revisions to its Personal Umbrella Rules. We have also revised the rating structure we use, so have broken out the Rates into separate Rate Pages. Because of the large number of changes to the rating structure, coupled with the fact that some rates are going up and others down, be believe that the overall effect of the rate changes is 0%. Attached is a copy of the Rules changes, a copy of the new Rate Pages, and a comparison of the Rate/Rule changes. A form filing will be accompanying this Rate/Rule filing. We ask that this filing be effective 5/1/09 for new business and 8/15/09 for renewal business.

*Adjusted to reflect all prior rate changes.
**Change in Company's premium level which will result from application of new rates
