14. Crop Hail	$10,245,258	+2.0%
15. Other _____ Line of Insurance		

Does filing only apply to certain territory (territories)or certain classes?
If so, specify: AAIC is doing away with the divided rates in Kendall, LaSalle, and Woodford counties on both our Standard and ADM Preferred rate sets. There is now one filed rate in those counties. We are also changing the maximum allowable Dollar Per Acre Limits on Wheat, Corn and Soybeans. In addition, we are adding a rate for grapes in Illinois.

Brief description of filing. (If filing follows rates of an advisory organization, specify organization):

American Alternative Insurance Corporation (AAIC)

The purpose of this filing is to revise our independent 2009 Illinois Crop Hail Rates. AAIC is doing away with the divided rates in Kendall, LaSalle, and Woodford counties on both our Standard and ADM Preferred rate sets. There is now one filed rate in those counties. There is a +2.0% rate impact. We are also changing the maximum allowable Dollar Per Acre Limits on Wheat, Corn and Soybeans. In addition, we are adding a rate for grapes in Illinois. All other rates on file remain the same. We propose an effective date on or after March 01, 2009.

* Adjusted to reflect all prior rate changes.
** Change in Company's premium level which will result from application of new rates.
