Proceedings:

Public Hearing called to order at 2:00 p.m. by Director Michael T. McRaith.

Attendees introduced themselves.

Welcome

Director McRaith, Chair of the Health Application Working Group, welcomed members of the public and provided background information on the purpose and progress of the Health Application Working Group.

Comments and Questions from Public Attendees

Members of the public provided comments and asked questions regarding the final drafts of the standard health applications. The Working Group answered questions, providing context for the inclusion of specific questions or sections of the applications. The Working Group then reviewed and discussed the comments and changes suggested during the public hearing.

Public Hearing ended at 3:00 p.m.
